CONFERENCE DESCRIPTION

Our **17th Annual Spring Conference on High Risk Obstetrics** conference has been designed to update physicians, certified nurse midwives, nurse practitioners, physician assistants, nurses, and other healthcare professionals who face challenges in the care of the high risk pregnant patient.

The goal of this conference is to provide a comprehensive update and review on current issues and contemporary topics related to treating the high risk pregnant patient. Emphasis will be placed on practical application on evidence-based topics. In addition to didactic lectures, ample time has been allotted for participant feedback and interaction.

Topics in this year's conference have been selected based on extensive target audience needs assessment data, including clinical expert input, online needs assessment survey, and past participant stated needs.

An outstanding faculty has been assembled for this conference that is committed to providing participants with current and practical information. Each member was selected based on their individual areas of expertise and their ability to communicate first-hand, practical information.

Three morning didactic sessions and an afternoon of interactive small group breakouts leave ample time for relaxing, enjoying family and friends, and exploring Kauai. We also have arranged a variety of group tours during non-conference hours for your enjoyment. This exciting conference will provide you with an opportunity to share current ideas with colleagues from across the country in a stimulating, relaxing and informal environment.

CONFERENCE OBJECTIVES

After participating in this conference, you should have an increased knowledge of, and be more competent to...

- Discuss the diagnosis and management of a variety of high risk pregnancy issues such as preeclampsia, multiple gestations, percreta, chronic illness, cardiomyopathy, bradycardias, and hypertension
- Recognize various aspects of prenatal diagnosis and genetics, and management of fetal anomalies
- Describe methods of prevention and management of preterm birth
- Describe the maternal and fetal/neonatal risks of pregnant smokers and lists methods to help these patients to quit smoking
- State the impact of a standardized nomenclature on EFM interpretation
- Recognize infectious causes and consequences of preterm birth
- State the risks of fish consumption during pregnancy and potential effects on the fetus
- Discuss how to avoid the pitfalls of shoulder dystocia

ACCREDITATION

This educational activity was planned and produced in accordance with the ACCME and ANCC essentials and standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council on Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

Symposia Medicus is accredited as a provider of continuing education for nurses by the **American Nurses Credentialing Center's Commission on Accreditation (ANCC)**.

Participants should only claim credit commensurate with the extent of their participation in the activity.

Certificates of completion/ credit will be given to participants on-site at the conclusion of the conference.

CONTINUING EDUCATION CREDIT

Physicians

Symposia Medicus designates this educational activity for a maximum of 18 AMA PRA Category 1 Credits™.

The **American College of Obstetricians and Gynecologists (ACOG)** has assigned 18 cognate credits to this conference.

Nurse Midwives and Physician Assistants

The **American College of Nurse Midwives** and the **American Academy of Physician Assistants** accept Category 1 CME approval from organizations accredited by the ACCME.

Nurse Practitioners/Nurses

The ANCC contact hours awarded for the completion of this educational activity is 18.

Provider also approved by the **California Board of Registered Nursing**, Provider # CEP2335, for 21.6 contact hours.

Pharmacology Credit for Prescriptive Authority

A maximum of 2.25 hours in pharmacology credit for prescriptive authority may be earned by attending this educational conference. Sessions awarding pharmacology credit for prescriptive authority are denoted with an Rx in the schedule.

EDUCATIONAL RESOURCES

Each registrant will receive an extensive conference syllabus containing pertinent information on each topic presented. In an effort to reduce the environmental impact of printing on paper, **this syllabus is available on CD. You can request your syllabus on CD on our conference registration form.** If you do request a syllabus on CD and bring your laptop to the conference, please be aware that there are no electrical outlets at the conference tables. **Make sure your laptop is fully charged each day.**

Extra copies of the syllabus, whether on CD or paper, are available for purchase by writing, with \$45 payment to: Symposia Medicus, 399 Taylor Blvd., Ste. 201, Pleasant Hill, CA 94523-2200 (please request syllabus #1140 and indicate type of media preferred).

SMALL GROUP BREAKOUTS

Small group breakouts will be held Friday afternoon. These sessions, organized to provide an opportunity for greater participant/faculty interaction, will give you an opportunity to discuss subjects relating to your particular areas of interest. You are encouraged to bring cases or issues you are confronting in your clinical practice to discuss during these sessions.

GROUP TOURS

Tours are planned for participants and their guests throughout the conference breaks. Additional information regarding tours, ground transportation and miscellaneous hotel/location information will be sent.

CONFERENCE LOCATION

Aloha! The beautiful island of **Kauai** is the location for our 17th Annual Spring Conference on High Risk Obstetrics. Kauai, known as Hawaii's "Garden Island," offers scenic splendor **along its 90 miles of coastline and within its lush interior.** Kauai is famous for its breathtaking botanical beauty and spectacular white-sand beaches and the island offers a wealth of diverse ecosystems that can be explored in either direction to the sunny south and west shores, or to the lush north shore.

The Kauai Marriott Resort sits on 800 tropical acres and is the only resort on the stunning shores of Kalapaki Beach. Our conference schedule allows you plenty of time to enjoy the beautiful beach or the resort's **swimming pool (the largest in Hawaii).** **The resort also offers a complete fitness center, spa, and five wonderful restaurants.** Children ages 5-12 will enjoy the fun Kalapaki Kids program, which offers a myriad of engaging activities. Adjacent to the resort are tennis courts and two championship golf courses, both of which are accessible by complimentary resort shuttle. Various restaurants and two shopping centers are just a short walk away. During conference breaks, you can enjoy a wealth of activities in the area, such as horseback riding, surfing (lessons available), beach volleyball, sailing, scuba diving, or snorkeling, or take a moment to unwind on the tranquil shores of Kalapaki Bay.

Take this opportunity to relax and rejuvenate in the beautiful environment of the Kauai Marriott Resort while attending this years' **"17th Annual Spring Conference on High Risk Obstetrics."**
