## CONFERENCE DESCRIPTION

Our Spring Conference on Pediatrics is designed to provide physicians, nurse practitioners, physician assistants and nurses with the most current information on common pediatric problems, as well as offer practical solutions to more complex dilemmas that occur in pediatric care. In addition to the didactic sessions, the format will include small group workshops and interactive sessions, allowing for maximum contact with the faculty and fellow attendees.

**Topics in this year's conference have been selected based on extensive target audience needs assessment data including, our past participant evaluation data, web survey data, clinical expert input, and pediatric practice guidelines.**

An outstanding faculty has been selected based on their individual areas of expertise, their ability to communicate practical, evidence based knowledge to others, their commitment to address issues of current concern, and their willingness to interact with participants.

This exciting conference will provide you with an opportunity to network with colleagues from across the country in the stimulating and relaxing environment of Kauai, Hawaii.

## CONFERENCE OBJECTIVES

At the conclusion of this conference, you should be able to:

- Better diagnose and treat pediatric sports injuries;
- Describe technological advances in the management of type 1 diabetes in children;
- Better diagnose and manage a wide variety of dermatologic conditions seen in the pediatric population;
- Identify and manage a wide variety of pediatric gastroenterology problems such as irritable bowel syndrome, Celiac disease and food allergies;
- Better diagnose and manage common pediatric neurologic disorders such as headaches and epileptic seizures in children;
- Analyze pubertal growth and development abnormalities in children, and know when/how to treat or refer.

## ACCREDITATION

This educational activity was planned and produced in accordance with the ACCME and ANCC Essentials and Standards relating to continuing medical and nursing education.

## CONFERENCE LOCATION

Aloha! The beautiful island of **Kauai** is the location for our **21st Annual Spring Conference on Pediatrics**. Kauai, known as Hawaii's "Garden Island," offers scenic splendor **along its 90 miles of coastline and within its lush interior**. Kauai is famous for its breathtaking botanical beauty and spectacular white-sand beaches and the island offers a wealth of diverse ecosystems that can be explored in any direction.

**The Kauai Marriott Resort includes 800 tropical acres and is the only resort on the stunning shores of Kalapaki Beach.** Our conference schedule allows you plenty of time to enjoy the beautiful beach or the resort's **swimming pool (the largest in Hawaii)**. **The resort offers a complete fitness center, spa, and five wonderful restaurants.** Children ages 5-12 will enjoy the fun **Kalapaki Kids program**, which offers a myriad of engaging activities. Adjacent to the resort **are tennis courts and two championship golf courses**, both of which are accessible by resort shuttle. **Other restaurants and two shopping centers** are just a short walk away from the resort. During conference breaks, you can enjoy a wealth of other activities in the area, such as **horseback riding, surfing (lessons available), beach volleyball, sailing, scuba diving, or snorkeling**, or just take a moment to relax on the tranquil shores of Kalapaki Beach.

Take this opportunity to relax and rejuvenate in the beautiful environment of the Kauai Marriott Resort while attending this year's **21st Annual Spring Conference on Pediatrics**.
