AIR TRAVEL INFORMATION

If you purchase Air Arrangements through Celebrity Cruises, you receive the following:

- Round-trip air transportation in coach/economy class to the city of cruise departure and from the city of cruise arrival
- Airport greeting: After you get your luggage at the airport, you will be met by a Celebrity Cruises representative who will escort you to your bus
- Ground transport to/from airports
- Baggage handling from the airport to the ship and from the ship to the airport

Generally, air transportation will be arranged to allow for same-day departure. However, from some cities, you may be required to travel on "red-eye" flights, arrive the day before sailing, make connections with different airlines, or make connections or stops en route to your final destination. Celebrity Cruises reserves the right to choose the air carrier, routing and city airport from each gateway city and substitute charter commuter flights for scheduled air service without notice.

Typically, your flights will be assigned by Celebrity Cruises 60 days prior to the date of your departure flight. You must reconfirm flights and times. Celebrity Cruises is not responsible for seat assignments, special meal requests, frequent flier information or other similar airline-related policies. You must handle these matters directly with the airline.

For Custom Air arrangements, there is a \$50 per person, non-refundable service charge for Domestic/North American destinations and \$75 per person service charge for certain International destinations. Additional airfare costs may apply. Celebrity Cruises' Custom Air Department can handle travel special requests including extended stays or upgrades. Any changes to a custom air request may be subject to non-refundable service charges and additional airfare costs.

If you purchase Air Arrangements on your own:

Symposia Medicus has arranged group discounts with Alaska, American, JetBlue and United Airlines for this cruise conference. Reservations can be made either through each individual airlines' Convention Desk at the numbers listed below or through your travel agent.

If you make your own air arrangements you must allow a minimum of three hours from the time your flight arrives in Seattle to the time the ship departs (at 4:00pm). Going home you should allow at least three hours between when the ship disembarks in Seattle and your plane departs (ship docks at 6:00am and disembarks starting between 7:00am-8:00am). The three hours allow you time for ship clearance, customs clearance (if applicable) and airline security. You can also request to be the first group off of the ship by going to the Guest Relations desk as soon as possible once you board the ship and letting them know that due to a tight airline schedule you need to be included in the first group off the ship.

GROUND TRANSPORTATION

If you choose to make your own air travel arrangements, you can purchase Celebrity Cruises transfers to/from the ship. Once you have collected your luggage at the airport, you will be met by a Celebrity Cruises representative outside the Baggage Claim area who will assist you with transportation to the ship. When you return from your cruise and have claimed your luggage, a Celebrity Cruises representative on the pier will direct you to your transportation to the airport. Note: The transfers are only available on the scheduled day of ship embarkation (July 30, 2010) and disembarkation (August 6, 2010).

In order to reserve the ground transportation with Celebrity Cruises, your flight into the Seattle-Tacoma International Airport must arrive no later than Friday, July 30, 2010 three hours prior to ship departure and your departure flight home on Friday, August 6, 2010 must leave no earlier than three hours after ship disembarks.

All requests must be made to Symposia Medicus by Friday, May 14, 2010. Your flight itinerary must be provided in order to confirm your transfers.

If you have a tight connection regardless of how you arranged your air and ground transportation, visit the Guest Relations desk once onboard the ship and let them know you would like to be in one of the first groups to depart the ship on Friday, August 6, 2010.

DINING ABOARD SHIP

When you make your cruise reservations, you need to request either the 6:00pm main or 8:30pm late dinner seating (Note: The 6:00pm main dining fills early and your time of dinner seating cannot be guaranteed). Please inform us if you or your guests have any special food or dietary requirements and inform us of other cruise passengers (not guests in your cabin) with whom you would like to sit at dinner. If your preferred dining time is not available, you will be waitlisted. Your dining assignment will be indicated on your dining confirmation card (placed in your stateroom) upon your arrival.

On your cruise, you can expect two formal, two smart casual, and three casual nights. Complimentary room service is also available 24 hours a day.

WHAT KIND OF CLOTHING TO PACK

You will need four types of clothing on the cruise: casual shipboard attire, warmer shore excursion attire, smart casual and formal evening wear.

Casual shipboard attire: Jeans and shirts which are allowed in lounges and bars during the day.

Shore excursion attire: Fleece and waterproof outerwear, comfortable shoes, sweaters and hats. Layers are recommended.

Smart casual: Skirt or pants (no jeans), sweater, blouse or shirt. Shirts must have sleeves.

All gratuities must be pre-paid and will be included in your final balance. This covers your cabin steward, head waiter, waiter, and assistant waiter.
