Since 1978

Your conferences are complete and allow time to digest the material. I will definitely look to Symposia Medicus conferences for my future CME needs.

-Angela Cartwright, DO

I have been attending Symposia Medicus conferences for 16 years and they are always excellent!

-Mary Ellen Johnson, CNM

Symposia Medicus continues to surpass any other OB/GYN conferences for quality of speakers, current cutting-edge information and outstanding meeting accommodations. They are the "pros" for CME in today's OB/GYN evidence-based information.

CONFERENCE DESCRIPTION

Our **15th Annual Winter Conference on Clinical Issues in OB/GYN** has been designed for physicians, certified nurse midwives, nurse practitioners, physician assistants, nurses and other health care professionals who face ever-increasing challenges in the clinical diagnoses, treatment options, and new technologies involved in caring for the female patient.

The goal of this conference is to present current clinical data on key issues in obstetrics and gynecology, along with treatment options to manage these challenges. Topics in this year's conference have been selected based on extensive target audience needs assessment data resulting from professional practice gaps. These gaps are identified by a variety of sources including feedback and evaluations from past participants, clinical expert input, Symposia Medicus' online survey, and other medical and nursing data.

Our outstanding faculty has been selected based on their individual areas of expertise, their ability to communicate first-hand knowledge to others, and their commitment to address issues of current concern to attendees.

Morning sessions and one afternoon session leave ample time for exploring the *Riviera Maya* and we have also arranged a variety of group tours for your enjoyment. The schedule and tours allow for continued discussion relating to the conference topics and other matters relating to obstetrics and gynecology.

CONFERENCE OBJECTIVES

After participating in this conference, you will have an increased knowledge of, and be more competent to:

- Evaluate NICHD standardized fetal monitoring terminology, maternal and fetal physiology, and clinical management issues in fetal heart rate monitoring
- Diagnose and manage chronic hypertension during pregnancy
- Describe screening and triage recommendations for cervical disease, as well as treatments of cervical disease
- Use appropriate clinical interventions for female bladder problems including incontinence, recurrent urinary tract infections, blood in the urine, and bladder pain
- Outline strategies to reduce malpractice risk and improve patient safety

ACCREDITATION

This educational activity was planned and produced in accordance with the ACCME and ANCC Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council on Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

Symposia Medicus is accredited as a provider of continuing nursing education by the **American Nurses Credentialing Center's Commission on Accreditation**.

A maximum of 3.25 hours in pharmacology credit for prescriptive authority may be earned by attending this educational conference. Sessions awarding pharmacology credit for prescriptive authority are denoted with an Rx.

WORKSHOP SESSIONS

Smaller group workshops will be held Friday afternoon. These sessions will give you an opportunity to select subjects relating to your particular area of interest and provide an opportunity for greater interaction with the faculty and other participants. Please indicate your workshop choices on the conference registration form in this brochure. Space is limited, so please reserve early. Workshops you select will be printed on your name badge.

EDUCATIONAL RESOURCES

Each registrant will receive an extensive conference syllabus containing pertinent information on each topic presented. In an effort to reduce the environmental impact of printing on paper, **this syllabus is available on CD (e-syllabus). You can request an e-syllabus on our conference registration form. By requesting an e-syllabus, you will not receive a paper syllabus.** If you request an e-syllabus and bring your laptop to the conference, please be aware that there are no electrical outlets at the conference tables. **Make sure your laptop is fully charged each day.**

Extra copies of this syllabus, whether on CD or paper, are available for purchase by writing, with \$45 payment to: Symposia Medicus, 399 Taylor Blvd., Suite 201, Pleasant Hill, CA 94523-2287 (please refer to syllabus #1170 and indicate type of media preferred).

GROUP TOURS / GROUND TRANSPORTATION

Tours are planned for participants and guests throughout the conference breaks. Additional information regarding tours, hotel, location and ground transportation will be sent.

CONFERENCE LOCATION

The *Mayan Riviera* is a 130-kilometer long stretch of Caribbean coastline that runs between the resort city of Cancun to the north, down to the **Mayan ruins of Tulum** at its southern end. The Mayan Riviera is in the state of Quintana Roo, the most eastern state on Mexico's Yucatan Peninsula. You can scuba dive and snorkel among world class coral reefs, explore deserted beaches, visit marine parks, and nature reserves.

From Playa del Carmen, you can take one of the hourly ferries to the island of Cozumel or take a day trip inland to explore the exotic ruins of **Chichén Itzá**, a UNESCO Heritage site. Just driving the length of the Mayan Riviera you will be able to find undeveloped beaches and lagoons, beautiful *cenotes* - freshwater pools (a natural feature almost exclusive to the Yucatan Peninsula) and Mayan ruins.

The **Fairmont Mayakoba** is recognized with the esteemed **AAA's Five Diamond Award**[®], a prestigious honor coveted by properties worldwide. Additionally, the Fairmont Mayakoba made the top 25 Central America/ Mexico Hotels on Condé Nast Traveler's 21st Annual Reader's Choice Award.

The 401 guest rooms are located in traditional low-rise hotel buildings and 90 two-story Casitas clustered throughout the beautiful resort grounds. With the ambiance of a luxurious Mexican *Casa*, indulgent amenities include comfortable Fairmont beds and expansive bathrooms, each with a soaker tub, a separate glass-walled shower stall and a double vanity. Large sliding doors open to furnished balconies or terraces, and all rooms offer both air conditioning and ceiling fans.

Whatever your pleasure you'll be sure to find it along the Mayan Riviera, at our **15th Annual Winter Conference on Clinical Issues in OB/GYN**.
